

February 10, 2018 - CSBC Members Meeting

Bistro at Aspen Grove – 16 members in attendance

9:15 AM Steve Day, President called meeting to order by welcoming all in attendance and thanked everyone for coming out on a nasty day.

This year's plan is for all members to work together to share the activity load and grow the club by attracting new members.

Steve put together a draft for 2018 activities (which was passed around for members to look at) , anything can be changed or added. It is important for members to step up and help. We need volunteers to POC (Point of Contact) events, which is very simple organizing the group including, necessary reservations & meeting arrangements prior to an event. Some events will be private to members only. Other events such as races, car shows and detail clinics will be open to other clubs.

Some other events discussed was Dyno Day, Track day and Shelby America Event. John and Ginny Wilson plan to host an event to raise money for a cancer charity, by doing a pancake breakfast along with a poker run or cruise. Jay brought up the Adams Detail Clinic scheduled for May. Steve and Kevin are working with Adams on this. There will be a large Cars & Coffee in Lafayette then on to Adams Clinic, probably about 9-10:00. This will be an event teamed with other clubs. Adams has re-located in order to expand, new location at 8225 N. Valley Highway, Thornton, CO 80221. Watch for final details on Facebook and the Club web site.

Steve suggested you check out the web site [www.shelbybreakfastclub.org](http://www.shelbybreakfastclub.org) Robert Wolf has worked hard to get it updated. If your car is not on the web please send a picture to Robert. Also please send any pictures you have on any activities to be added to the web site. The more pictures we have, the more attractive it is to new members.

Facebook has been updated and cleaned up. CSBC members can post. Non-members can look but not post. In order to recruit new members we need our Facebook and web site filled with activities.

Steve will check into business cards for all members to hand out at car shows and wherever there is interest.

Robert and Michelle have successfully transferred treasure info.

Michelle gave the Treasurer's report. 2017 ending balance was \$20.00. We now have just under \$500.00 without dues collected today. We average \$770.00 yearly in dues. Expenses are Web site \$120.00, Liability Ins. \$270.00, misc. such as PO Box & State fee. Christmas Party cost is around \$1000.00. We can increase funds with the Poker Run, 2018 Club Calendar \$15.00/ea, and CSBC stickers \$4.00/ea. Please see Michelle for purchases. Books are always open for anyone to look at.

CSBC is registered 501(c)(7) non-profit. Club is authorized to use the Shelby Logo.

Pay Pal will be set up to pay dues in the future.

In the meantime, \$25.00 annual dues can be mailed to: CSBC PO Box 4232 Parker, Co. 80134

We will use Facebook and Evite for events, be sure to check the web site calendar as well. It is important to RSVP to the POC in order to organize the events. Need members step-up and volunteer to serve as event POCs to keep this club active.

Officers, board members and members are always open for suggestions for improvement to the web site, Facebook, activities - anything.
