

CSC Annual Meeting Minutes  
Sat, Nov. 10, 2018 – The Bistro at Aspen Grove  
23 members in attendance

CSC President Steve Day welcomed everyone.

Membership increased 35% through 2018. We currently have 31 member households/families.

Steve introduced each member in attendance. Steve thanked everyone who suggested/organized/hosted events throughout 2018, making it a fun and successful year. He also thanked Robert Wolf for keeping the web site current.

Steve worked with Shelby American to change the Club name, which drove web site changes and the need for a new logo. Past Club president Mick Yelvington's son, Wes, kindly designed that. Steve had new CSC cards printed, which he passed out to all the members, suggesting everyone hand them out to non-member Shelby owners they meet at car events throughout the year.
